Title I, Part A Comparability FAQ

WHAT IS A RESOURCE ALLOCATION PLAN?

A resource allocation plan is what a charter holder implements to meet Title I, Part A Comparability requirements (given below):

> *Except as noted in Q13, section 1120A(c) of the ESEA provides that an LEA (in this case meaning SPCSA charter holders) may receive Title I, Part A funds only if it uses State and local funds to provide services in Title I schools that, taken as a whole, are at least comparable to the services provided in schools that are not receiving Title I funds. If the charter holder serves all its schools with Title I funds, the charter holder must use State and local funds to provide services that, taken as a whole, are substantially comparable in each Title I school. [Section 1120A(c)]*
>
> In Nevada, under the SPCSA (LEA), and with direction and permission of the Nevada Department of Education (SEA), a charter holder can demonstrate comparability if it has established and implemented an allocation resource plan and provides a written assurance of this plan. Example resource allocation plans, pursuant to Section 1120A(c)(2)(A) are:
>
> - A charter holder-wide salary schedule, OR
> - A policy to ensure equivalence among schools in teachers, administrators, and other staff, OR
> - A policy to ensure equivalence among schools in the provision of curriculum materials and instructional supplies OR *additionally to meet SPCSA comparability requirements*--
> - A policy/statement describing that the school is a one-campus school and resources are equitably available campus-wide.

NOTE: Written procedures pursuant to a charter holder's resource allocation plan should be included within required policies and procedures for grant management. Written procedures pertaining to a charter holder's resource allocation plan must be made available to the SPCSA or Nevada Department of Education as requested.

WHAT IS AN EXAMPLE OF A RESOURCE ALLOCATION STATEMENT?

#1 The Board of ABC Charter School directs that each campus receiving Title I funds must use state and local funds to provide services that, taken as a whole, are at least comparable to services in those campuses of ABC Charter School that do not receive Title I funds. If all campuses of ABC Charter School receive Title I funds, the Board directs that state and local funds shall be used to provide services that, taken as a whole, are substantially comparable in each school.

#2 The Board of ABC Charter School certifies that ABC Charter School is a one-campus school, and that ABC Charter School receives Title I funds, as well as state and local funds, to provide services that, taken as a whole, are equitably available for the needs of the campus.

WHO MAY BE A "*CERTIFYING OFFICIAL*?"

The certifying official should be a charter holder administrator or board member whose salary is not paid wholly, or in part, by Title I, Part A funds. This official should also be identified in the school's written policies and procedures.

WHO SUBMITS THIS FORM?

All charter school holders who received Title I, Part A subawards for the fiscal year (FY) must complete and submit this attestation form.

WHEN IS THE FORM SUBMITTED?

Demonstrating comparability is a prerequisite for receiving Title I, Part A funds. Because Part A allocations are made annually, comparability is an ANNUAL requirement.
